SUNSHINE PERIOD

I emlore you to postpone the vote you are planning on June 3 which would expand the monopoly of the air waves, until further study and public comment is obtained.

Sincerely,
Jan Robbins

DO NOT give more power to nation wide companies. They do not do what is good for our nation, only what is good for their bottom line.

More Local Station Control will meet the needs of people in their area and provide competition to keep costs down.

We do not need corporate money-hungry dictators determining what our children see.

Mrs. Jean Nepsund

Isn't it bad enough that the president was voted in by a couple of political hacks without you squashing public news and debate. Especially since I did not even vote for you guys. How the hell did you get this power to change us into a dictatorship????!

Subject: 2002 Biennial Regulatory Review

Please register my complaint that the FCC should not under any circumstances allow companies to own a larger share of local or national markets in the communication industry. As fewer companies take a larger share of the marketplace, we the people have less reliable and unbiased news and information to choose from.

Sincerely your,

Curtis Fletcher

SUNSHINE PERIOD

Please Do NOT take away my right to hear whatever view on the news I wish to hear...for years I have been listening to talk radio and this should not change because people want to suppress everyone's right to free speech.....I've been listening to talk radio for over 10 years so why is it a problem now?? Why can't I have the right to watch FOX news?? Do NOT change the rules.

Thank you
Jennifer

Your comment:

"I think we're one of
the most heavily lobbied federal institutions in the government,
probably second only to the United States Congress. I don't, by the
way, think that's a particularly good thing."

You're probably right. The government would work more smoothly without the attention of those pesky
citizens.

Joyce Webster, Houston, TX
